

HOCH^N: Sustainability reporting

Netmap[®]

Outlook

Phase 1:

- 11/5/2017: Workshop in Hamburg (focus on criteria for "environment" and "society" as well as knowledge transfer among the HEI-DNK applicants)
- From June 2017: Development of the guidelines for the application of the 20 criteria of HEI-DNK
- During 2017: Visit of workshops of the other work packages for discussion and gathering input for further development of HEI-DNK's β-version
- December 2017: Final-workshop for the development of an α-version of the HEI-DNK
- February 2018: Completion of the guideline for applying the α-version of the HEI-DNK

Phase 2:

- November 2017: Parallel start
- ...
